A Note from the President...

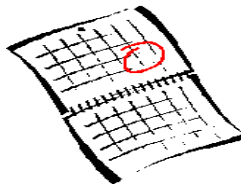

Lustre is finally seeing spring after one of the longest snowiest winters on record. This past winter was one of the worst in recent memory for cancellations, road closures, and snow days. Schmeckfest, for the first time in its history, was even rescheduled, not once, but twice. We finally had a very successful Schmeckfest on March 31st. Many thanks go out to everyone who made the school's biggest fundraiser a success this year.

As you will see in this edition of the Links, July 6th-8th 2012 will be the next All-School Reunion. Planning is underway to make this a great time for everyone. Keep the dates open on your calendars, contact your classmates, and plan to attend.

The Lustre Links will be undergoing a change corresponding with the All-School Reunion. We will be changing to an electronic version of the Links. Please send us your email address and we will send you the Links via email. You will be linked to the school's website (lustrechristian.com) to view the latest LCHS news and the latest version of the Lustre Links.

Have a great summer!

Bob Brown

"Years to Remember" was the perfect theme for the 46th Annual Schmeckfest. We will all remember the record breaking snow and the storms that caused Schmeckfest to be postponed twice. March 31st was the day for feasting, 645 people came and a new record was set with over \$54,500 raised.

A record snowfall of 108.6 inches was recorded in Glasgow, Montana, during the 2010-11 winter! Lustre had more....
