

Lustre Christian High School

The

TUMBLEWEED

LCHS Opening Program By Zach Brown

The opening ceremony for LCHS was held on the 26th of August at 7 p.m. in the high school gym.

It opened with the hymn "Bind Us Together" led by Mr. Michael Butler, the Music teacher. After that we were sobered by Pastor John Skillman's devotional based on Psalm 1:1-6. These verses talk about the ones who are blessed, they

don't walk in the way of the wicked. They are compared to a tree that is planted by the water and never runs out of life. However, the wicked are like chaff that blows with even the faintest breeze. We obviously don't want to be the chaff.

After Pastor John's devotional, we were introduced to all the staff and community people that make the school family. We moved on to the testimonies of the new staff, which are Mike & Anita

Cronk, the dorm parents, and Nicky Hilkeman the Science teacher, even though she taught chemistry for most of last year. Then we listened to the LCHS choir sing and had the offering for the high school with music played by Melissa Marasco. The students were introduced; including 7 new students.

Jerry Fast concluded the evening with a brief word, thanking everyone who helps make LCHS work.

Mr. & Mrs. Cronk Join LCHS Staff By Gilbert Choi

LCHS has a new dorm parents in this year. Mike and Anita Cronk have lived a lot of places in their lives, including Thailand, so they can even speak Thai.

When they first arrived in Lustre, it so dry and dusty that the heavy duty lock on the door of the truck and the inside of the lock was so full of dust that it almost did not open.

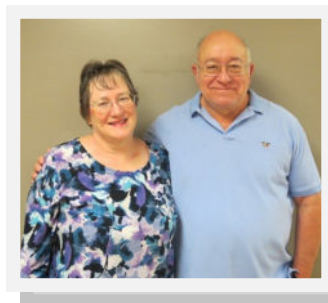

Once they arrived at the school, there were 16 or more people ready and willing to help unload the truck.

Before they started, the Dorm Committee had lunch ready for everybody.

While people were finishing lunch, Mr. Cronk thought he could go out and get a head start himself on unloading. But as soon as he got out there, several people were already there anxious to start carrying things. The entire truck was empty in about 90 minutes.

They were impressed by how everyone was so very warm and welcoming. They knew before

they came, that the Dorm Committee was a serious group and hard-working, but they did not have any idea that the Dorm Committee would be so completely ready for their arrival. Thanks to everyone!

Culbertson Volleyball Tournament

By: Kassie Kirkaldie

BUMP
SET
SPIKE!

The Lady Lions' volleyball team is looking very promising this year. The tournament in Culbertson was full of some great teams, and the

Lions showed heart in all four games they played. The day started with a match against Scobey at 8:30 a.m., and after two games the Lions unfortunately lost, the scores being 8-15 and 12-15. The Lions then went on to play right after that

against Froid/Medicine Lake, winning the first game but losing the overall match, because the opponent won the next game by a few more points. The scores were 15-13 and 9-15. After the Hawks, the team went to play Bainville's JV. A win came from this match, the scores ending at 15-9 and 15-7. Bainville's varsity was the last team to take on, and after one exciting game where the Lions let them get ahead with a serv-

ing run but then fought to catch up, the Lady Lions lost again, the scores being 23-25, and 14-25. Be sure to come to the Lady Lions' game on Thursday in Glasgow vs. Glasgow's JV team, at 6 pm... it's going to be a great year!

Admission:

Adults - \$5.00

Students (7 & up) - \$3.00

Children 6 & under - Free

R & R Day Altered by Inclement Weather

By: Ernest Uy

As per usual, the LCHS student body sojourned to Fort Peck on August 28th for a day of Recreation and Renewal.

After arriving, we unloaded and began various activities, including basketball, football, Frisbee, and volleyball. We followed with worship, and then Pastor Bruce Inion spoke, advising us to absorb good things, so we can give good things to others. Comparing our lives to a canteen, he explained that nothing drinkable comes out of a canteen filled with nasty water. Then he passed out sheets that helped us determine

our "love languages" to see which ways we preferred others show love to us, and how we prefer to show love to others. What followed was an amazing lunch of burgers and hot dogs grilled by Mr. Leland.

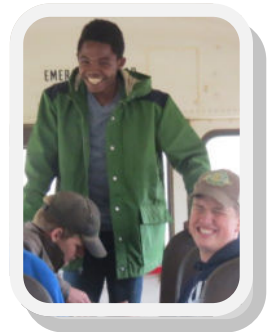

On a normal day, we would travel to the softball field in the town of Fort Peck. However, a scouting report revealed that the field could be considered unusable for all intents and purposes due to heavy rain. Instead, we sang some more and got ready for Pastor Bruce to speak.

Since we were sluggish and full from lunch, he had us do some calisthenics, then we did a teamwork activity building towers with straws. Afterward, he gave us some more paperwork, this time to determine our different kinds of personalities, and the

strengths and weaknesses that come with each.

We concluded the day with prayer, and headed back to Lustre, renewed and refocused for a great year ahead.

Blessed is the man who walks not in the counsel of the wicked, nor stands in the way of sinners, nor sits in the seat of scoffers; but his delight is in the law of the Lord, and on his law he meditates day and night. Psalm 1: 1-2 (ESV)

Welcome to LCHS!

New Sophomore Fits Right In by Emily Eggar

The volleyball girls welcomed several new members to the team before school started. One of these new team members is a sophomore from Wolf Point, Tiara Whitmus. Tiara spent her freshman year at Wolf Point High School but decided she needed a change, Lustre is her change. Tiara is a very energetic, encouraging addition to LCHS. Currently involved in volleyball, and planning to play basketball, and throw on the track team Tiara is a

great addition to Lustre athletics as well as academics.

Affectionately nicknamed "T," Tiara fits right in with the crowd. When asked about her first impressions of the school Tiara said, "the high school is very small and looks very nice. Everybody is nice and respectful." She is looking forward to getting to know everyone in the school, and to learning more about the Bible. So far Tiara's favorite class is P.E. Considering she en-

joys sports and weightlifting, this makes sense.

Besides weightlifting, Tiara also enjoys hanging out with her friends, hunting, sleeping and working with her animals. She enjoys her animals so much that her current future goals are to become a veterinarian.

The students are excited to have Tiara in the student body and everyone is excited for this coming year. Welcome to Lustre Tiara!

"Not So New" Freshman: Kaleb Hoversland By: Sadie Brown

There are several new students at LCHS this year. One of these students, new to the high school, is Kaleb Hoversland. However, Kaleb is not a new face around Lustre. He has gone to grade school here and played high school basketball for the Lions.

After asking him what his first impressions of high school are he said that "it is better than he

was expecting, but then it is only the first couple weeks so, there is plenty of time for it to get worse."

He says he looks forward to seeing his friends everyday even though that means he has to go to school.

Nobody is surprised to hear his favorite class so far is PE.

His answer to what he likes to do in his

spare time is hunting and playing basketball. As for sports this year most of us could all probably guess he is only planning on playing basketball.

Kaleb's favorite verse is Joshua 1:9.

Most of the students here already know Kaleb but are excited to welcome him here to the high school.
