### Limitless Forgiveness by Kirubel Legesse

On Thursday, April 11<sup>th</sup> our chapel speaker was Wisly Pierre. Wisly spoke on the topic of forgiveness. He started his chapel by giving us the definition of forgiveness, which was "the formal act of forgiving someone." He told us about how many times the word forgiveness is mentioned in the Bible and why its significant to know about it. He also

talked about how in the past he felt like God was sort of counting all his sins waiting to judge him, but after understanding it more he told us that God was full of forgiveness and does not care what you did in the past or how many sins you've committed, He will forgive you no matter the circumstances if you give your life to Him.

The main thing

that Wisly focused on was the issue of pride that we as people have that holds us back from forgiving others. He stated many times that we should forgive each other because if God who created the world, who created us, who created everything

came down to earth and died by his choice to forgive us, how can't we sinful dirty humans forgive others? Wisly concluded by telling us all that there is no limit to forgiveness and we should forgive everyone as long as we live because the forgiveness we received is eternal.

This year, the District 3C Music Festival took place in Malta on April 12-13. Due to the scheduling of Senior trip departure on Saturday, the Lustre students performed all their pieces on Friday the 12th. Performances are given a score from 1-5 based on their performance. 1 being the highest score a group or soloist can receive.

### District Music Festival by Emily Eggar

Under the direction of Mr. Butler, the choir performed two pieces and received a 1 for their performance, and a 2 for the sight reading section of their evaluation. The band also did very well scoring a 1 in sight reading. As for the soloists and ensembles, everyone did well scoring either a 1 or a 2.

Those who scored a 1, who will be advancing to State Music Festival in Billings, include Sadie Brown with her saxophone solo, Diego Froiland with

his saxophone solo, Megan Fast with her vocal solo and Emily Eggar with her vocal solo.

Others who performed include, Wisly Pierre with a drum solo, Tiara Whitmus with a vocal solo, Emily Eggar and Ashely O'Hara singing a duet, and a piece sung by Ernest and Sean Uy, Megan Fast, Emily Eggar, Olivia Brown and Gillbert Choi.

This year State Music Festival falls on May 3-4 in Billings.

## Senior Trip by: Sadie Brown

This year, the class of 2019, chaperoned by Mr. and Mrs. Dan Marasco, chose Rapid City, South Dakota as the destination for their senior trip.

They left Saturday, April 13. This year instead of staying at a hotel the seniors chose to rent a cabin by Hill City, South Dakota. The cabin had many amenities including a cinema room and a hot tub. It also included a kitchen in which they made breakfast every morning.

The first night's activities included seeing a movie and going to Taco Johns for a late night snack.

The next day was Sunday and so the Seniors went to

church. After church and the noon meal they went to Rushmore Park. At Rushmore Park there were many things to do. The first thing was the mountain coaster and the zip line. After that they went to tour the caves.

Monday morning the seniors went to a place called wilderness edge for side by side riding up in the mountains. In the afternoon they went to see Mount Rushmore.

Tuesday was a shopping day.

On Wednesday the Seniors did their service project for Habitat for Humanity. They went to a house and worked on landscaping and yard work. On Wednesday afternoon they all traveled to the Watiki Waterpark for some fun.

On Thursday everyone piled in the van and drove home.

Overall it was a memorable and fun trip.

## Lustre Egg Hunt by Gillbert Choi

On Sat., April 20<sup>th</sup>, an Easter Egg Hunt at the Lustre Grade School.

This annual event was organized

by Lisa Neufeld. Many children visited LGS to participate in the egg hunt, where decorated (Easter) eggs were hidden for children to find.

Easter eggs can be real hard-boiled eggs, which are typically dyed or painted, artificial eggs made of plastic filled with candies or foil-

wrapped egg-shaped chocolates of various size.

Most of the plastic eggs were "hidden" in various places on the ground for the little children. This is a fun custom associated with the holiday for children. Just as Santa Claus is for Christmas; the Easter Bunny and hidden treats is for Easter.

The children were excited to collect eggs even before the countdown. Some said that timing is important in getting a lot of eggs. They want to get a lot of chocolates, then eat them secretly it at night without their parents knowing.

The Easter egg, was defined by early Christians, as a symbol of the resurrection of Jesus. An object lesson was presented using the following symbols: 1) The Cross - because Jesus died for us. 2) The Divide Mark, which means that sins divide us from God. 3) The Heart - God loved us so much that he sent Jesus to die for our sins. 4) The "?" - which asks

are we going to serve Him? Through this visual lesson even a young child could easily understand the real meaning of Easter!
